**2020 Rule(s) Bulletin**

*Bulletin: 2020 – September 9, 2020*

## **2020 Rules Bulletin – Licensed DIRTcar Sportsman & Pro Stock Move Up Policy**

This Bulletin is to announce that the restriction of allowing to run six (6) events in a current year will be suspended on Sept. 10 for the 2020 season only.

Due to the nature and irregular scheduling at season's end caused by COVID-19 and the closing of the Canadian border it has affected the spirit of the rule and policy. (Ex. Oswego going from one event to six events.)

All events run by a DIRTcar Sportsman/Pro Stock licensed member in 358 modifieds or big block modifieds after Sept. 10, 2020 will not count towards the six (6) total for the year or the twelve (12) total set up as lifetime total.

### **Rulebook Section 7. Restrictions:**

a. A Pro Stock and/or Sportsman driver may race in a DIRTcar Big Block Modified and/or 358 Modified sanctioned with approval by a WRG Supervisory Officials.

The following guidelines have been set up for more clarity:

- 1.) A Sportsman/Pro Stock licensed driver may run up to six (6) events in a current year. To count as an event, driver would be qualified and run a feature event. Once a driver reaches the sixth event he/she will either stay sportsman or move up to 358/Big Block. (Driver must also upgrade to 358/Big Block license).
