After extensive research with the Fire Suppression manufacturers and expected ship dates it has been decided to move back mandating Fire Suppression until May 15.

The announcement is made so teams wouldn't be discouraged in participating due to supply and shipping delays.

- B. Sportsman weights until May 15 will be as follows: 2400 lbs. Aluminum Wheels, 2350 lbs. Steel Wheels. After May 15th without Fire Suppression there will be 50 lbs. added to each.
